

cesana 

iStone è una serie di piatti totalmente personalizzabili perché disponibili in tutte le tonalità RAL e sagomabili a misura per adattarsi al meglio agli spazi. Composti da resina termoindurente e cariche minerali naturali, sono tutta massa e rivestiti da un film protettivo colorato ad elevata durezza e resistenza alle macchie e agli acidi.

iStone is a series of shower trays fully customizable, available in all R.A.L. colors and contoured on measure to suite any space. They are made of thermosetting resin with natural mineral components. They are mass of material, covered by an extremely hard protective stain and acid resistant film.

iStone EAT

I piatti doccia iStone sono trattati con ETC (Easy to Clean), che agevola la pulizia riducendo la formazione di calcare.

iStone Trays are treated with ETC (Easy to Clean) system tht grants cleaning by reducing the formation of limescale.
